

# Maheen Akhter,

## ASSOCIATE

---

Maheen practices commercial real estate, with an emphasis on multifamily, leasing and borrowing. She has represented small companies, alongside major universities with their specific and varied real estate needs. Maheen assists clients in entering into real estate contracts to either buy, sell or lease property by: negotiating the initial contract, reviewing title and survey, and handling any matters that may arise during the closing of any given transaction. Maheen also has experience working with local governments to assist clients in developing private-public partnerships.

*Licensed in Georgia and Missouri; application for admission to the South Carolina bar still pending.*
