

## Practice Description

Eric concentrates his practice in advising businesses; the negotiation, drafting and analysis of complex agreements, including business mergers, acquisitions, dispositions, joint ventures and spin-offs; corporate and board governance issues, including for public companies; insolvency-related matters; equity and debt securities offerings; government-private sector transactions; and business practice assistance in litigation.

## Representative Matters

- Advised several public companies and their boards of directors respecting mergers, acquisitions, spin-offs, proxy contests, tender offers, debt and equity securities issuances, exchange offers, corporate governance, related party transactions, syndicated bank financings, distressed financial circumstances and SEC filings.
- Represented the developers of Greenville’s downtown 15,900 seat arena (now known as the Bon Secours Wellness Arena) in structuring the private-public relationship and negotiating the primary contracts and financing documents.
- Represented the private developer in negotiating the development, program management and construction management agreement with the School District of Greenville County for its \$1 billion facilities construction program.

## Honors and Awards

- Named “Greenville *Best Lawyers* Corporate Lawyer of the Year, 2020
- Named “Greenville *Best Lawyers* Corporate Governance Law Lawyer of the Year”, 2015
- Recognized as “Legal Elite” by the *Greenville Business Magazine*, 2012-Present
